VISITOR'S COMMENTS

Community Engagement Group representative, Danielle: Update on clock project. Provided information for the York Co. Open Space & Land Preservation Grant the Community Engagement Group is applying to help aid in the cost associated with the cock restoration. The group has requested a letter of support from the Borough Council. A motion was made for the Community Engagement Group to apply for the grant with a letter of support from Council. 1st Mr. Booth, 2nd Mrs. Calvin. Motion Carried. Councilwoman Miller and Frank Bowman thanked Danielle for all her hard work on this grant.

Resident Audry: Expressed concerns about chickens being treated poorly at Kingdom Fence in a small coop close to the road. They were first improperly contained during extreme heat without proper ventilation. At one point they got out of their area and were in the road.

This raised questions and concerns from Council and residents about current zoning and property use in that area and repeated violations made with violation letters not being sent or no follow-up from the zoning officer. It was asked if the council should look into replacing the current ZO and asked the secretary to research other options.

Resident Angel: asked about Halloween in the borough and haunted houses.

Resident Mike: the broken traffic counter is still on the road in front of Kingdom Fence on N. Market St.

Clock project representative, Frank: asked for council to approve up to $2,500 for painting and supplies for clock restoration. A motion was made to approve the funds. 1st Mr. Booth, 2nd Mrs. Morris. Motion carried.

OPEN DISCUSSION OF COUNCIL PRESIDENT AND COUNCIL MEMBERS

Mrs. Morris expressed concerns about previous violations sent to Kingdom Fence with no follow up from ZO, including violation fees. Mrs. Morris also asked about no speed limit sign on N. Market. She is going to reach out to reach out to Senator Phillips-Hill for clarification on who's responsibility it is. PennDot said it was not their responsibility, but it's a state road so the borough would like to confirm.
