So far 210 calls in total for year. CVFC secured a \$49,000 grant for portable radios. CVFC will have to put in a small percentage "match" to receive grant-which should be around \$2000. We have received the SUV that will be used for

QRS Unit. Hoping to have it in service in the next couple of months. Justin Webb reported that the new skid unit is in and installed. There are a few minor things that need to be finished up. It now comes in at 600 pounds under weight limit. He would like to thank the Borough Council for purchasing the unit for CVFC. It is a great help and very much appreciated. **OPEN DISCUSSION OF COUNCIL PRESIDENT AND COUNCIL MEMBERS:**

- Mr. Booth inquired how lock systems for VFW & Rec were progressing. Terri reported she is waiting on the locksmith to come and evaluate it and give us a quote.
- Mrs. Miller reported on the Fall into Fitness Festival September 23<sup>rd</sup> at the park.
- Mr. Absher reported a dead tree in the park is leaning towards the track and probably should be removed. President Compher will check on it.

**OLD BUSINESS:**

- Mill Street Property is starting to be cleaned up. Still needs some equipment removed.

**NEW BUSINESS:**

- Morris Ave is once again not being mowed. Terri will send a letter.
- Mayor Testerman reported she is getting complaints about dogs running loose on Main Street. A resident has 3 Labradors that are running loose and bothering neighbors and growling at people. The council discussed this. We do not currently have a "leash" Ordinance so Terri will research the York County "leash law" to see if this could fall under the County Law. She will also contact our solicitor.
- VFW is not being cleaned very well. Rental on Saturday sent pictures and complained that it was filthy. No toilet paper, paper towels, etc. The council decided that they will start soliciting bids from cleaning companies and any individuals interested in cleaning both VFW & Rec Buildings.
