3. CERTIFIED CHECK OR BID BOND

Each bid must be accompanied by a Certified Check or Bid Bond payable to the Borough of Fawn Grove, in the amount of \$2,500.00 to ensure good faith in bidding. The Certified Check or Bid Bond shall be forfeited to the Borough of Fawn Grove in the event of the Contractor failing to enter into the contract and to give bond as hereinafter specified, not as a penalty but as liquidated damages for delays or additional costs or expenses incurred by the Borough owing to their failure to accept the award and execute the contract and give bond as required.

4. CERTIFIED CHECKS OR BID BONDS RETURNED

The certified checks or bid bonds of the unsuccessful bidders will be returned after the contract is awarded. The check or bid bond of the successful bidder will be returned after the execution and delivery of the contract and performance bond, as well as the required certificate of insurance.

5. QUALIFICATIONS OF BIDDERS

Each Bidder shall furnish the following sworn statements for consideration by the Borough in determining the qualifications of the Bidder to perform the work:

- A. Owned Equipment Statement: A sworn statement listing equipment owned or controlled by the Bidder and available to it for performing the work. The statement must include make, model, year, body type, capacity and condition.
- B. Experience Statement: A sworn statement listing the Bidder's experience in performing similar work to the work for which its bid is being submitted. Specifically, the experience should include past or ongoing contracts with municipalities. The statement should reflect a minimum of five (5) years of experience with similar work and contain the following information:
 - i Project title and description of work, including municipality identification.
 - ii Dates when work starts and completes.

iii The name and address of the recipient of the service and the telephone number of the contact person.

C. Financial Statement: A full and complete sworn financial statement as of and for the years ending 2024 and 2025. The statements should also include any unsatisfied judgements against the Bidder, including the amount of the judgement, the name and address of the creditor, the date of the judgement and the identification of public records at which the same is recorded.

6. EXPLANATION TO BIDDERS

Any explanation regarding the meaning or interpretation of the Specifications or other contract documents must be requested, in writing, from the Borough Solicitor, Craig S Sharnetzka, Esquire, of CGA Law Firm, 135 North George St, York, Pennsylvania 17401, csharnetzka@cgalaw.com, with sufficient allowance of time for receipt of reply before the time of bid opening. Any such explanations or interpretations shall be made in the form of addenda to the documents and shall be furnished where possible to all bidders, who shall submit all addenda with their bids, Oral explanations and interpretations made prior the bid opening shall not be binding.

7. DEFINITIONS

ACCEPTABLE MUNICIPAL WASTE – The words “municipal waste” when used in these specifications, shall refer to all solid household waste material, but not limited to, the following:

- (a) **Garbage:** consisting of all animal and vegetable wastes resulting from the handling, preparation, cooking and consumption of foods.
- (b) **Rubbish:** consisting of all solid wastes, except body wastes other than baby diapers, and other than garbage, ashes and debris and including wastepaper, tin cans, glass, metal, wood, grass, leaves, tree and shrubbery cuttings and all ordinary household accumulations.
- (c) **Ashes:** consisting of the residue of the burning of coal, wood, paper, or other combustible material.
- (d) **Debris:** consisting of stones, brick, plaster, broken concrete or earth, in such quantity and size as shall not violate the restriction hereinafter set forth with respect to the size and weight of containers.
- (e) **Tires:** Removed from rims cannot exceed outside diameter of 32” or a maximum tread width of 12”; number to be limited per week to two (2).

AGRICULTURAL WASTE – Poultry and livestock manure, or residual materials in liquid or solid form generated in the production and marketing of poultry, livestock, fur bearing animals, and their products, if the agricultural waste is not hazardous. The term includes the residual materials generated in producing, harvesting and marketing of agronomic, horticultural and silvacultural crops or commodities grown on what are usually recognized and accepted as farms, forests or other agricultural lands.

AUTHORITY – The word “Authority”, when used, shall mean the York County Solid Waste and Municipal Waste Authority or its authorized representatives.

BOROUGH – Shall mean the Borough of Fawn Grove, York County, Pennsylvania, or its authorized representatives.

BULK WASTE – Items of solid waste which due to their size, shape, or weight cannot be collected as part of the normal weekly municipal waste collection and, therefore, require special handling. For example: large household appliances, plumbing fixtures such as bathtubs, sinks and radiators, furniture, machinery and similar items in size shall be considered bulk waste.

BUNDLE – Tree, shrub and brush trimmings, securely tied together forming an easy handled package not exceeding four feet in length or 50 pounds in weight. (For purposes of this Contract, one bundle constitutes one container.)

CARDBOARD – All corrugated or other cardboard normally used for packaging, mailing, shipping or containerizing goods or other materials excluding plastic, foam or wax coated or soiled cardboard.

COLLECTION POINT – The location for each dwelling unit or establishment for which the Contractor will collect municipal waste and recyclable materials. Said locations shall normally be at the front curb or property lines along publicly adopted streets except where establishments not located along publicly adopted roads may designate a pickup station allocated along a publicly adopted road provided the location of the pickup station is approved by Fawn Grove Borough, the Contractor and owners, if on private property.

COMMINGLED RECYCLABLES – Recyclable materials of all types that have been placed in the same container at the source of generation.

CONSTRUCTION/DEMOLITION WASTE – Solid waste resulting from the construction or demolition of buildings and other structures, including but not limited to, wood, plaster, metals, asphaltic substances, bricks, block and unsegregated concrete. The term also includes dredging waste. The waste is used as clean fill. The term does not include the following, if they are separate from other waste and are used as clean fill:

- i Uncontaminated soil, rock, stone, gravel, unused brick and block and concrete.
- ii Waste from land clearing, grubbing and excavation, including trees, brush, stumps and vegetative material.

CONTAINER – A receptacle with a capacity less than 40 gallons constructed of plastic, metal or fiberglass, in which refuse is placed for collection, of adequate strength for lifting and prevention of spillage or leakage of the contents, including individual and disposable containers as well as cans, barrels, boxes, baskets, and bags. The weight of any single container shall not exceed 50 pounds. Refuse must be in containers or tied in bundles not larger than three (3) feet by three (3) feet. Such bundles will be considered containers and the maximum weight of fifty (50) pounds shall apply.

CONTAINER, CONTRACTOR PROVIDED: Contractor will provide and distribute mobile carts free of charge with a capacity of 96 gallons for trash and 65 gallons for recycling. All parties or persons occupying and participating in the municipal solid waste contract of Fawn Grove Borough will be required by the Borough to utilize trash and recycle mobile carts provided by the contractor. The ownership of the containers shall remain the property of the contractor during the term and upon the expiration of the contract.

CONTRACTOR – Shall mean the person, corporation or partnership with whom the Borough shall enter into a contract for municipal waste collection and disposal and recycling, or his agent. The Contractor shall annually obtain all licenses required by the Borough, County and other regulatory agencies.

COUNTY – The County of York, Commonwealth of Pennsylvania.

DISPOSAL FACILITY - The exclusive disposal facility shall be the York County Resource Recovery Center (otherwise known as the “Mass Burn Facility) located at 2653 Black Bridge York, Pennsylvania 17402. Borough hereby directs Contactor to use said facility for refuse disposal.

LARGE COMMERCIAL ESTABLISHMENTS - shall mean those Commercial Establishments with large volumes of solid waste who contract privately for solid waste and recycling services.

HAZARDOUS WASTE – Any waste which by mixture of its quantity or content presents a hazard to the individuals handling it, a hazard to public health or source of potential pollution to the air or waters of the Commonwealth of Pennsylvania, or which makes land unfit or undesirable for normal use; including, but not limited to, herbicides, explosives, pathological wastes, radioactive materials and any materials defined as hazardous wastes by Federal or State Law or regulations.

RECYCLABLE MATERIALS – Shall mean the collection, separation, recovery and sale or reuse of metals, glass cans, cardboard, paper, yard waste, plastics and other materials which would otherwise be disposed of or processed as municipal waste, conducted in accordance with the provisions and requirements of the Act of July 28, 1988, P.L. 556, No. 101.53 P.S. s4000.101 et seq., known as the “Municipal Waste Planning, Recycling and Waste Reduction Act”.

TIPPING FEE - shall mean the per unit charge or cost to tip, dump or otherwise dispose of a load of solid waste at a Resource Recovery or disposal facility operated by the York County Solid Waste & Refuse Authority.

8. COLLECTION

The contractor shall collect municipal waste and recyclable materials, if selected as a service by the customer, from all residential dwelling units which include multi-family dwellings, small business establishments, churches, municipal offices, and other places having municipal waste and recyclable materials as defined herein and are contracted for collection of municipal waste and wish to participate in the recycling program. The current number of participating units for the Borough is 205, as detailed in the list “**Fawn Grove Borough street and address list**”

As per the municipal sites (the Borough park and the US Post Office) the trash/recycling collection at these sites shall be done at no charge to the Borough. This exemption would be in accordance with past contracts where no charge was levied for this service.

The Contractor shall be required to pick up all municipal waste specified in this contract, put out for collection throughout the Borough on the designated collection days, 52 weeks per year.

Contractor provided mobile carts. Contractor will provide and distribute free of charge mobile carts with a capacity of 96 gallons for trash and 65 gallons for recycling. All parties or persons occupying and participating in the municipal solid waste contract of Fawn Grove Borough will be required by the Borough to utilize trash and recycle mobile carts provided by the contractor. The ownership of the containers shall remain the property of the contractor during the term and upon the expiration of the contract. All parties or persons participating in the municipal solid waste contract with Fawn Grove Borough will be required by the Borough to utilize trash and recyclable mobile carts provided by the contractor.

**** Recyclables** - *It will be the responsibility of the successful bidder to conduct curbside recycling in accordance with the provisions of PA Act 101, as amended. Items to be recycled are: Aluminum, steel and bi-metal cans; clear, green and amber glass; newsprint; plastic containers; phone books; and cardboard. The Contractor will provide and distribute free of charge a container of sufficient size as requested by the Resident, but not to exceed a capacity of 96 gallons. The ownership of the recycling container shall remain the property of the successful bidder during the term and upon the expiration of the contract.*

In addition to the requirements above, contractor services shall provide the following:

- i **Bulk Item Collection.** It will be the responsibility of the successful bidder to collect one (1) bulk item per week through curbside collection. Contractor will pick up the Bulk item including, but not limited to, appliances, water heaters, and sleeper sofas by appointment; and Contractor will schedule a date for collection of these items upon receiving a request by the Resident. Residents shall call Contractor to request a pickup.
- ii **Christmas Trees.** It will be the responsibility of the successful bidder to collect, transport, and dispose of Christmas trees through the second pick up during the month of January. The contractor shall collect and dispose of all Christmas trees placed by property owners at normal collection points. The collection of Christmas trees shall be considered as part of the normal contracted collection service provided by the collection contractor. Christmas Trees shall be collected separately, shall be disposed of at an approved composting facility and shall not be part of the solid waste disposal stream.
- iii **Collection from Borough Properties.** Contractor shall provide waste collection at the Fawn Grove Borough Park free and the Fawn Grove Post Office free of charge.

For each collection point, the preferred collection of municipal waste shall be made on Tuesdays and for recyclables pick up is to be made on Fridays for the entire life of the contract. Municipal waste and recyclable materials from commercial-agricultural, large commercial, institutional or industrial firms shall not be included in this contract. These materials shall be collected and disposed of by separate arrangements between the owners and private haulers. Any hauler collecting municipal waste within the Borough must annually obtain a County license and display vehicle decals.

9. BIDDER RESPONSIBILITY

- i The bidder is required to personally visit the Borough and familiarize himself with the conditions to be encountered and all circumstances which may affect the nature and cost of the work. If a property is not accessible to a truck, alternate methods of collection must be agreed upon by the customer and the collector. Written certification must be submitted to the Borough Secretary that such visitation was made prior to the contract bid opening. No extra compensation will be allowed by the Borough for the authorized collector's failure to determine existing conditions or lack of information on the part of the authorized collector after the bid is submitted.
- ii It shall be the responsibility of the successor bidder to ascertain the number of dwelling units from time to time and to deliver the information to the Borough or its collecting agent. As the bid is for annual (to be paid in quarterly installments) rate per dwelling unit, nothing herein is to be construed as a warranty as to the number of dwelling units or the gross amount of revenue that may be received at any time by the successful bidder. As of January 1, 2026, there are approximately 205 accounts.

10. TERM OF CONTRACT.

The term of the contract shall be five (5) calendar years from June 11, 2026, to June 10, 2031. Upon mutual agreement by the Borough and the Contractor, the term of the contract may be extended for two separate 1-year terms, up to a total of 2 years.

11. CONTRACT

The contract will be awarded to the lowest responsible bidder based on the total bid price. The Borough Council reserves the right to reject any or all bids. The bidder to whom the award is made shall enter into a written contract with Fawn Grove Borough within ten (10) days of notice of the contract award to the bidder. Upon failure to do so, the defaulting bidder shall pay to the Borough the amount of the

bid bond to repay the Borough for expenses and damages incurred by reason of such default. Upon the awarding of the contract to the successful bidder, a signed statement of agreement provided by the Borough will be attached to the specifications and bid proposal form, which together shall constitute the Municipal Waste Collection Contract. It shall be considered as a material breach of contract for any collection vehicle containing Fawn Grove Borough waste to also contain any municipal waste not collected under this contract.

12. COLLECTION EQUIPMENT

Trucks used in making the municipal waste collections shall have completely enclosed bodies. Trucks collecting recyclable materials can be open compartment type with suitable tarp covers. Any standard compactor type collection unit is considered approved. The Contractor shall make sure that collection trucks are maintained so as not to leak any liquids on roadways or streets in the Borough.

13. COLLECTION REPORTS

The Contractor shall furnish to the Borough and the County on a quarterly basis an accurate report of the total monthly tonnage of municipal waste collected from the Borough for disposal under this contract. In addition, the Contractor shall furnish to the Borough and County on a quarterly basis an accurate report of the total monthly tonnage of each of the following: newspaper, cardboard, bi-metal, cans, aluminum, glass and plastics. All reports must be received by the Borough and the County by the 15th day of each month of the quarter.

14. COLLECTION ROUTES

The Contractor shall collect municipal waste and recyclables from all collection points. Collections from all collection points shall be made on the same day throughout the entire Borough unless a change is agreed upon by the Borough and the Contractor. The Contractor shall give the Borough a minimum of fourteen (14) days written notice of any change in collection routes. The Contractor shall be responsible for notifying affected property owners of any changes in collection routes.

15. DISPOSAL

The Contractor must use a disposal facility approved or operated by the York County Solid Waste Authority for the type of waste to be disposed of. The Contractor shall annually obtain a County license and display vehicle decals.

16. RECYCLABLE MATERIALS

Recycling in the Borough is on a voluntary basis for each dwelling unit. All residents of the Borough within the area served by the curbside program are strongly encouraged to participate in this program. The authorized Collector shall pick up recyclable materials on the same collection day each week for each pick-up point. The authorized Collector shall assume ownership of material immediately upon pick up and shall have the responsibility to properly process designated recyclable materials in a manner consistent with the reuse of these materials. Recyclables may not be commingled with municipal waste. The Contractor is responsible for reporting to the Borough and the County the amounts and types of materials recycled and must maintain documentation of such.

17. METHODS OF COLLECTION

Municipal waste and recyclable material shall be picked up at the designated collection points and deposited into the collection truck with a minimum of noise and traffic delay. No municipal waste or recyclable

material may be spilled on the roads and streets of the Borough. The Contractor must make every effort to prevent scattering, particularly of paper and other light materials, by the wind. The Contractor must take care not to damage containers belonging to residents of the Borough and in the event of willful or unnecessary damage to such containers; the Contractor shall be liable for the same. The Contractor shall promptly notify the Borough if any resident or property owner claims damage, other than reasonable wear and tear to containers. All emptied containers must be replaced in approximately the same location where they were placed by the owner.

The Contractor shall immediately notify the Borough of any collection which cannot be made on schedule or of collections not made at specific collection points because of containers not conforming to these specifications.

18. OWNERSHIP OF MUNICIPAL WASTE AND RECYCLABLE MATERIALS

Immediately upon the Contractor's loading municipal waste or recyclable materials into any collection vehicle, ownership of such municipal waste or recyclable material shall be vested in the Contractor and it shall become his responsibility to haul, handle, process, sell and/or dispose of according to the terms of this contract and in compliance with the County's Solid Waste Management Plan and according to regulations governing such under Pennsylvania law.

19. TIME OF COLLECTIONS

The twice a week collection shall be of refuse from each property within the Borough trash and large item pick up on Tuesday and recyclables on Friday. The collection shall include the servicing of dumpsters as well as reusable refuse containers, although it is understood by the Borough that the servicing of dumpsters may occur on a date separate from the date fixed for the servicing of reusable refuse containers

No collections shall be scheduled for any Sunday.

Collections at each collection point shall be made between the hours of 7:30 AM and 7:00 PM except in the case of mechanical breakdown or extreme or unusual circumstances.

Collection shall not be made on the following Holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. If the regular collection day shall fall on any of the aforementioned holidays, the Contractor shall make the collection on the next working day after the holiday or as specifically agreed to between the Contractor and Borough.

20. COMPLAINTS

When complaints are received by the Borough, the complaint will be acknowledged, and the Contractor will be notified of the problem. The Contractor must provide a local telephone answering service for receiving and responding to complaints. Further, the Contractor must have in its employ a customer service representative whose purpose is to monitor the service provided and respond to customer complaints. Nothing contained in this paragraph shall prevent a customer from lodging a complaint directly with the Contractor.

21. LAWS AND REGULATIONS

The Contractor shall observe and comply with all laws, ordinances, rules and regulations of local, state and federal agencies, or government governing those engaged or employed on the work, the materials or equipment used, or the conduct of the work.

22. ESCALATOR CLAUSE

Tipping fees: The current York County Solid Waste Authority (YCSWA) tipping fee rate is \$85/ton. Contractor may include adjustment for changes in YCSWA tipping fees post-effective date. Contractor must provide 60 days' written notice of effective changes; monthly adjustments based on certified weight slips/receipts for Borough refuse only. Non-compliance forfeits adjustments.

Pickup locations: The initial number of properties; 192 residential and 13 small commercial (treated as residential), for a total of approximately 205 pickups. If the number of units deviates from 205 during the contract term, compensation shall be adjusted for the balance of the contract year based on the bid price per unit (1/205 of the contract price then in effect for additions or reductions).

23. PERMITS AND LICENSES

The Contractor shall obtain from the proper authorities, all permits or licenses necessary to carry on this work, shall pay any fees or charges required and shall be responsible for conducting his operations in accordance with the provisions of such permits or licenses, copies of same to be filed with the Borough.

24. PAYMENTS

The price stipulated with respect to dwelling units in the Proposal hereto attached shall cover the cost of all labor, material, equipment, disposal costs and any other costs and expenses needed to complete the contract in all details. The successful Contractor shall accept the price stated in the Proposal hereto attached as full compensation for the collection and disposal of municipal waste and the collection and marketing of the designated recyclable materials.

25. INDEMNIFICATION

The Contractor (including subcontractors) shall indemnify and hold harmless the Borough from and against all claims arising out of the performance of the contract not directly due to the Borough's own negligence or misconduct. Contractor further agrees to investigate, handle, respond to, provide defense for and defend any claim arising directly or indirectly out of this agreement and/or the performance hereof at his sole expense and agrees to bear all other costs and expenses related thereto even if such claim is groundless, false, or fraudulent.

26. INSURANCE

The insurance requirements shall apply to all subcontractors and if any work under this contract is performed by a subcontractor, Contractor shall carry on his own behalf Contractor's Protective Liability Insurance for both bodily injury and property damage for the same limits as specified above and shall be responsible for each subcontractor maintaining liability insurance as specified above. This insurance contract shall name Fawn Grove Borough as an additional insured and shall remain in effect until each subcontract is completed.

The authorized collector will be required to provide insurance of the prescribed types and minimum amounts as set forth below, naming the Borough as Additional Insured on all such insurance relating to this contract.

All insurance policies required shall be maintained in full force until all work under this contract is completed as evidenced by the formal acceptance thereof, in writing by the Borough. Each policy shall contain the provision that there will be 30 days prior written notice given to the Borough in the event of cancellation of material change in the policy.

The bidder to whom the contract is awarded shall furnish to the Borough, within ten (10) calendar days after the date of official notice of award of the contract, insurance certificates evidencing that they have provided the required coverage. The bidder may be required at a later date and upon specific request of the Borough to furnish certified copies of any or all insurance policies related to protection for the work performed under this contract. The Borough shall not be liable for the payment of any premiums under the foregoing and certificates or policies shall be endorsed to that effect.

The insurance companies indicated in the certificates shall be authorized to do business in the Commonwealth of Pennsylvania and shall be acceptable to the Borough.

Neither approval of the Borough nor a failure to disapprove insurance certificates by the authorized collector shall release the authorized collector of full responsibility for all liability as set forth in the indemnification clauses stated in the contract agreement.

The minimum requirements of insurance to be carried by the authorized collector shall be as follows:

- a. Workmen's Compensation Insurance as required by the Workmen's Compensation Act of the Commonwealth of Pennsylvania and/or any other applicable Workmen's Compensation Law and any re-enactments or amendments thereto.
- b. Public Liability Insurance for bodily injury, including wrongful death, to any one person and subject to the same limit for each person and for property damage of not less than One Million Five Hundred Thousand Dollars (\$1,500,000) on account of one accident. The limit requirements may be satisfied by an umbrella policy of One Million Dollars (\$1,000,000) over underlying coverage with a Five Hundred Thousand Dollar (\$500,000) limit or any combination of policies that provide in the opinion of the Borough minimum coverage.
- c. Automobile Liability Insurance naming the Borough as Additional Insured, to cover each truck, automobile, vehicle or other mechanical equipment, whether owned or leased by the authorized collector, used in the performance of work performed under this contract for bodily injury, including wrongful death to any one person and subject to the same limit for each person and for property damage of not less than One Million Five Hundred Thousand Dollars (\$1,500,000) on account of one accident. The limit requirement may be satisfied by an umbrella policy of One Million Dollars (\$1,000,000) over underlying coverage with a Five Hundred Thousand Dollar (\$500,000) limit or any combination of policies that provide, in the opinion of the Borough, the minimum coverage.

27. VIOLATIONS AND ASSESSMENT OF PENALTIES

In case of any violation of the contract, the Borough shall notify the Contractor of such violation and allow a reasonable time for correction prior to maintaining an action in law or equity against the Contractor. All violations and penalties therefore shall be certified by the Borough and their judgment shall be final.

The Borough shall have the right to assess the Contractor the following amounts for each offense for all violations of the contract. Such penalties shall be payable within ten (10) days of the date of the assessment.

- a. **Sanitary and Safe Vehicles** – Failure to maintain any collection vehicle in a sanitary and safe operating condition, the sum of Fifty (\$50.00) Dollars for each offense.
- b. **Disposal Sites** – Failure to dispose of municipal waste at the sites designated by the York County Solid Waste Authority, the sum of One Thousand Dollars (\$1,000) per collection vehicle load disposed of elsewhere will be assessed. It shall be a material breach of this contract for any vehicle

containing contract waste to dispose of municipal waste at any site unless designated by the Authority and in any such event, in addition to any other remedies provided under this contract, the Contractor shall repay the Borough an amount equal to the tipping fee applicable to the entire contents of each such vehicle and pay a penalty of Two Thousand Dollars (\$2,000). The contractor shall pay a penalty of Five Thousand Dollars (\$5,000) for each additional offense or, at the option of the Borough the contract may be terminated.

- c. **Damage/Displacement of Containers** – Willful damage to or failure to replace containers at the pick-up point off the roadway and shoulder; unless clearly marked for disposal, the sum of Ten Dollars (\$10.00) for each offense or a satisfactory replacement to the owner of said container.
- d. **Mass Miss** - Failure of a truck and crew to operate and complete collections on a regular route for more than (10) residents, unless prevented by a labor strike or work stoppage, snow storms, hurricanes, floods, or other violence of nature or any other event which may be termed an “Act of God”, Fawn Grove Borough is authorized, in its discretion, to assess the Contactor up to the sum of Two Thousand Dollars (\$2,000.00) for each mass offense.
- e. **Mixed Loads** – It shall be a material breach to this contract for any vehicle containing contract waste to also contain any solid waste not collected under this contract or to contain any recyclable material which was source separated by a customer and in any such event, in addition to any other remedies provided under this contract, the Contractor shall repay to the Borough an amount equal to the tipping fee applicable to the entire contents of each such vehicle and pay a penalty of Two Thousand Dollars (\$2,000) payable by the contractor to the Borough for the first offense. The Contractor will pay a penalty of Five Thousand Dollars (\$5,000) for each additional offense or at the option of the Borough, the contract may be terminated.
- f. **Disposition of Recyclables** – The Contractor shall be prohibited from disposal of the Borough collected recyclable materials or processed recyclable materials at a landfill or other waste disposal facility without the prior written permission of the Borough. Violation of this contract provision shall be a material breach of contract and the Contractor shall pay a penalty of Two Thousand Dollars (\$2,000) payable by the Contractor to the Borough for the first offense. The Contractor will pay a penalty of Five Thousand Dollars (\$5,000) for each additional offense or at the option of the Borough the contract may be terminated.
- g. **Spilled materials** – Failure to clean up spilled municipal waste or designated recyclable materials, the sum of one hundred fifty (\$150.00) Dollars per offense, plus actual costs incurred by the Borough for clean up.

28. LABOR DISPUTE

In the event that the Contractor shall be unable to make collection of municipal waste and recyclables as required under the contract because of a labor dispute against the Contractor, the Borough, at their option, may employ other persons or corporations to make such collections and payments to Contractor shall cease while such other persons or corporations are making such collections. In addition, the Borough may at their option cancel the contract in the event the Contractor shall be unable to make collections of refuse as required under the contract because of such a labor dispute.

29. ASSIGNING AND SUBLETTING OF CONTRACT

This contract shall not be assigned nor sublet without the prior written consent of all parties.

30. EMPLOYMENT OF WORKERS

With respect to all work to be performed under this contract, the Parties to this contract do hereby agree:

- a. In hiring of persons for the performance of work under this contract or any subcontract hereunder, neither the exclusive collector nor any of its subcontractors, shall by reason of race, color, religious creed, handicap, national origin, ancestry, sex or age, discriminate against any person who is qualified and available to perform the work to which the employment relates.

- b. Neither the exclusive collector nor any of its subcontractors, nor any person acting on their behalf shall, in any manner, discriminate against or intimidate any employee engaged in the performance of work under this contract or any subcontract hereunder on account of race, color, religious creed, handicap, national origin, ancestry, sex, or age.

31. AMERICANS WITH DISABILITIES ACT

All bidders must warrant that they are in compliance with the Americans with Disabilities Act (Public Law 101-336) and will, in carrying out the requirements of any and all contracts with the Borough, comply in all respects with the provisions of the Act and its implementing requirements.

32. EXECUTION OF AGREEMENT

The successful bidder shall within ten (10) days of notification of the award of the bid, furnish to the Borough three (3) executed copies of the Agreement with original signatures. Should the bidder fail to furnish the executed Agreement within ten (10) days, the contract shall be void.
