PHOTO CONTEST

Stillness & Shadow Winter Edition | January–March 2026

As part of our Four Seasons Photo Contest Series, Stillness & Shadow invites photographers to capture the quiet beauty of winter in the Pennsylvania Great Outdoors. From snow-covered landscapes and historic details to moments of calm, contrast, and reflection, this theme celebrates what winter reveals when everything else slows down.

This seasonal contest is also part of our local participation in America250PA, honoring the stories, places, and people that have shaped our region for 250 years. Winter has always been a season of endurance, resilience, and reflection—and your photos help tell that story.

Selected photographs will receive recognition on social media, and winners will be awarded certificates. Winning images will also be printed and displayed at community events through Spring 2027, creating a shared gallery of Southern York County’s story.

Entry Dates:

-  Submissions Open: January 24, 2026
-  Submissions Close: March 14, 2026
